Invoice address _____

if different _____

_____

It is well known that the annual contribution currently amounts to 3.500 Euro and that, upon request (in the case of an annual company turnover of up to 5m Euro), this may be reduced to 2.500 Euro.

The annual amount is collected at the beginning of the business year; in the event of entry during an ongoing year, the amount is charged on a pro rata basis.

In addition to the annual contribution, a one-off admission charge of 500 Euro is due upon entry. The amounts due are invoiced separately by the BAV.

Agreement exists with the sharing the contact data with other member companies/ notification on the internet page of the BAV.
